Practice News

Building Works

Two items remain to be resolved, one is an issue with the wi-fi in the new training room and the other is a small problem with the CCTV around the building. The Practice would like to thank the patients for their consideration, understanding and co-operation whilst the work has been undertaken. It is very much appreciated, thank you.

Staff news

Dr Creana Charadva will be returning to the surgery as an ST3 Registrar for her final training on the 7th August for twelve months.

Zeenat Hassam, our practice pharmacist will only be working at the practice for 1 day per week from 16th September and remotely working the remainder of the time. Fatima Ali, our clinical pharmacist, will be available full time for all pharmacist support.

Flu clinics

No dates available as yet, but hopefully the programme will get underway in September.

HLH Charity

The summer raffle is now likely to be a Christmas one. If anyone has any ideas for a fund raising event that they would be prepared to run or help organise then please contact the PPG at glenfieldsurgeryppg@outlook.com Thank you.
